

A map showing a network of roads. A thick yellow line runs horizontally across the middle. A thin grey line runs vertically through the center. Another thin grey line runs diagonally from the top left to the bottom right. The intersection of the yellow and vertical grey lines is marked with a red dot. The label 'Quivican' is placed to the left of this dot, and 'Quivican' is placed to the right of it. To the right of the red dot, the label 'San Felipe' is placed near the intersection of the yellow and diagonal grey lines. The background is light grey with faint white lines representing other roads or terrain.

Quivican

San Felipe
