

Cameroon

A map of Cameroon showing its geographical features and administrative boundaries. The word "Cameroon" is written in large black letters at the top. Several regions are highlighted in light green: the northernmost region, a region in the west-central part, and a small region in the south. Major cities are marked with small circles and labeled: Bafia, Nanga-Eboko, Bertoua, Yaounde, and Mbalmayo. A network of roads is shown in orange, and rivers are shown in blue. Dashed lines represent administrative boundaries. The Google logo is visible in the bottom left corner, and "Map data ©2013 Google" is in the bottom right.

Bafia

Nanga-Eboko

Bertoua

Yaounde
