This is a comprehensive political map of China, detailing its provincial divisions and major urban centers. The map includes a legend in the top-left corner defining symbols for population size, administrative status, and capital types. It also features a scale bar, a copyright notice, and an inset map of East Asia. Major cities like Beijing, Shanghai, and Hong Kong are highlighted, along with significant geographical features such as the Gobi Desert, Tibetan Plateau, and surrounding bodies of water. Neighboring countries and regions are labeled throughout the map.
