

# Philippines

## Administrative Divisions

- International boundary    ★ National capital
- Region boundary            ★ Region center
- - - Province boundary      ● Province capital
- Davao ● Chartered city

A chartered city may function as region center, province capital, both, or neither; therefore, the city symbology may differ.

- |                            |                             |
|----------------------------|-----------------------------|
