

Xigaze or Rikaze

This map shows a network of roads in a region, likely in Tibet. A prominent road runs horizontally across the middle, with a yellow dot marking a location labeled 'Xigaze or Rikaze'. To the left of this point is 'Quxar', and to the right is 'Gyangzê'. Further right, another road junction is marked with a '318' shield. In the bottom left, 'Dobzha' is located near a small blue lake. In the bottom right, 'Puma Yumco' is labeled near a larger blue lake. The background is a light gray with faint outlines of administrative boundaries.
