

A map showing a light green land area with a complex network of white, irregular shapes representing water bodies or lakes. A thin, light blue line, likely a river or stream, flows from the top center towards the bottom center. A red dot is placed on this line, just below the text label. The text "Velikiy Ustyug" is written in a black, sans-serif font above the red dot. On the far right edge, a portion of a brown line is visible, possibly representing a boundary or another geographical feature.

Velikiy Ustyug
