# BOHOL

Bohol, the Philippines' tenth largest island, is an island province located in the Central Visayas. It has a land area of 4,117.26 square kilometers and a coastline of 261 kilometers. The island of Bohol lies between Cebu in the northwest and Leyte in the northeast. To the south is Mindanao which is separated from Bohol by the Mindanao Sea.

Bohol is a picturesque island endowed with natural and historical attractions. It has become a popular tourist destination with its beautiful beaches and resorts, rolling hills and plateaus, diving sites and crystal springs, ancestral homes and centuries-old stone churches. The Department of Tourism and the provincial government of Bohol are promoting the province as a "land of history and natural beauty". The capital city of Tagbilaran is dubbed as "The City of Friendship".
