

A map of the province of Antique in the Philippines. The province is shown in yellow, with its internal municipal boundaries marked by thin grey lines. It is bordered by Aklan to the north, Capiiz to the east, and Iloilo to the south. To the west of the province is the Sulu Sea, and to the north is Pandan Bay. The Jintotolo Channel is located to the northeast. The island of Caluya is shown in red to the northwest. The names of the provinces and the sea are in bold black text, while the names of the bay and channel are in blue italicized text.
