 - Night bus service only
 - No stops along bus route
 - Route number
 - Part bus route express zone stop
- Metra Commuter Rail**
 - Rail line and station
 - Peak period station only

Chicago street numbers start at State and Madison downtown. State Street runs east and west downtown, and Madison Street runs north and south downtown. Suburban street numbers vary, not all use Chicago's system. One mile is equal to 800 street numbers. Example: Madison (4400 N) is one mile north of Addison (3600 N).
