

**High School &
Middle School
Campus**

This aerial map shows a proposed school campus on the left, highlighted in light green. The campus includes a large baseball field, a soccer field, and several classroom buildings. To the right of the school is a church area, highlighted in light orange, featuring a church building and parking lots. The map also shows surrounding infrastructure, including Interstate 66 to the west and Leesburg Pike at the bottom. A compass rose is located in the bottom left corner.
