

A map of Cedar City, Utah, and its surrounding region. The Colorado River is shown as a prominent blue line flowing from the top right towards the bottom left. Cedar City is marked with a black dot and labeled. To the south of the city, a pink-shaded area represents the Cedar Breaks National Monument. Other features include a purple-shaded area to the north of the city, a green-shaded area to the east, and various yellow-shaded regions. A network of black lines represents roads and property boundaries. The word 'Alton' is visible in the upper right corner, oriented vertically.
