

The map displays the geographical context of the seismic event. Ecuador is centrally located, with its capital Quito and major port Guayaquil marked. To the north, Colombia is shown with cities like Bogotá and Cali. To the east, the Amazon region is depicted with rivers such as the Rio Negro, Japura, and Solimões. To the south, Peru is visible with cities like Piura and Chiclayo. The event location is highlighted by a star and concentric circles, situated in the northern part of Ecuador, near the border with Colombia. The text 'M6.3 - 32km NW of Rosa Zarate, Ecuador' is prominently displayed in the center-right of the map.

M6.3 - 32km NW of Rosa Zarate, Ecuador
