

A map of Madagascar with a focus on the eastern coastline. The land is depicted in a light tan color with a network of thin blue lines representing rivers and streams. The sea to the east is a solid light blue. Two locations are labeled: 'Andrapengy' at the top and 'Antsahanoro' further down. A red location pin is placed on the coast between these two labels. The pin has a dark red dot and a red outline. A small, irregular blue shape, possibly a lake or a bay, is located just inland from the pin.

Andrapengy

Antsahanoro
