

A map showing a road network. A red dot marks the location of Cumbal. The road network consists of several yellow lines. One road runs diagonally from the bottom left towards the top right. Another road runs diagonally from the top right towards the bottom right. A third road runs horizontally at the bottom. A fourth road runs vertically on the right side. A fifth road runs diagonally from the top left towards the bottom right. A sixth road runs diagonally from the top right towards the bottom right. A seventh road runs diagonally from the bottom left towards the top right. A red dot is located on the road that runs diagonally from the bottom left towards the top right. The label 'Cumbal' is placed next to the red dot. The label 'Aldana' is placed to the right of the road that runs diagonally from the top right towards the bottom right. A blue area is visible in the top left corner. A grey area is visible in the bottom right corner.
