GOAL
Use the underpass from the Sancha patio in the Carrot tower basement to get to the Den-en-toshi Line, Sangen-jaya Station. There is a wheelchair-accessible restroom (with ostomate facilities) in the underpass. Be careful, as the underpass slopes (about 6 degrees) towards the station.
Tokyu Denentoshi Line
Shuto Expwy.Rt. 3 (Shibuya Rt.)
There is a south-facing slope at approximately 2.5 degrees angulation. Be careful moving through here as the road is narrow.
