

A vertical depth scale on the right side of the diagram, ranging from 0 m at the bottom to 4000 m at the top. The scale is marked at 0 m, 100 m, 200 m, 500 m, 1000 m, 1500 m, 2000 m, 3000 m, and 4000 m. The background of the diagram is divided into horizontal color-coded layers corresponding to these depths: blue (0-100 m), green (100-200 m), yellow (200-500 m), orange (500-1000 m), light orange (1000-1500 m), dark orange (1500-2000 m), brown (2000-3000 m), and dark brown (3000-4000 m).
