

A wide-angle photograph of Pico do Jaraguá, a prominent hill in São Paulo, Brazil. The hill is covered in dense green forest. Several tall, lattice-structured communication towers are positioned across the summit and slopes. In the background, a sprawling urban landscape of São Paulo is visible, nestled in a valley between other hills. The sky is blue with scattered white clouds. A yellow banner with black text is overlaid at the bottom of the image.

PICO DO JARAGUÁ
