

100 km

A topographic map of the Philippines, showing the archipelago in shades of green and brown against a black background. The map highlights the terrain of the islands. A small black box with a white asterisk and the text 'Cabangán' is positioned on the island of Luzon, specifically in the northern part of the Cagayan Valley region. A scale bar in the top left corner indicates a distance of 100 kilometers.

* Cabangán

Lat: 14.883 - Long: 120.217 - Alt: 700 km
